EXPERIENCE

Green Therapy, Goshen, OR - *Sales Assocciate/Assistant Manager*
October 2021 - August 2022
- Worked retail, selling various goods to customers who ranged from local regulars all the way to people traveling from out of state.
- Started as a sales associate, promoted to shift lead after about a month, then assistant manager in late January.
- Worked with Metrc and GreenBits (an inventory and a POS system respectively), in-taking new products and adjusting menus based on changing inventory and other complications. Provided suggestions on adjustments both physical and financial for the front of the shop as well as input on purchasing decisions. Regularly performed safe counts.

OneDiversified LLC, Eugene, OR- *Installation Technician/Apprentice Electrician/Warehouse Manager*
July 2019 - October 2019
- Worked in schools, new and old, middle, high school, and university, in Portland, Corvallis, and Eugene, installing screens, projectors, and speakers as well as wiring these things in a clean, professional manner
- Terminated cables as needed
- Worked with power tools, lifts, and other construction equipment
- Managed and organized the new Eugene office/warehouse. Received deliveries and checked in materials as they arrived, both digitally and on paper, recording serial numbers and confirming the appropriate items were shipped. Organized boxes and materials by corresponding project and (secondarily) brand name

- Delivered and picked up materials and items to job sites and from the Portland office while driving a company van

Lane Community College, Eugene, OR- *Music Lab Tech & Theory Tutor*
September 2015 - April 2018
- Worked with MIDI and Recording Studios in LCC's music lab
- Answered questions about music theory and the electronic equipment available
- Helped guide students through their homework, both theory and tech
- Troubleshot for students who were dealing with major (and minor) equipment issues
- Enforced appropriate behavior and monitored any potential for theft
- Miscellaneous questions and requests were directed my way
